A checklist for the first few days

You don't need to remember everything. Tick each step off as you go, and call us whenever you need to. We'll walk you through it.

STEP 1 Straight away

- [ ] Make sure you are safe, and with someone
- [ ] Contact a doctor: their GP, their palliative care team, or the hospital or rest home staff
- [ ] Tell close family, or ask someone to do it for you
- [ ] Call us on (04) 385 0745

STEP 2 Within the first day

- [ ] Decide where they will rest until the funeral
- [ ] Start talking about burial, cremation or natural burial
- [ ] We will ask about any cultural or religious requirements early in the arrangements
- [ ] Put aside clothing, jewellery or taonga you would like them to wear

STEP 3 Within the first few days

- [ ] Meet your funeral director
- [ ] Choose the venue: our chapel, a church, a marae, your home, or another place
- [ ] Plan the service
- [ ] Choose photos, music and readings
- [ ] Tell wider family and friends
- [ ] Decide whether you want the service livestreamed
