- Second Reading Philippa Ranby
- Closing Meg + Sam Doughty
- Farewell Exit with Paul

POEM

Let's put all our treasures together
-- the clocks, plates, cups cracked
by the cold --
into a sack and carry them
to the sea
and let our possessions sink
into one alarming breaker
that sounds like a river.
May whatever breaks
be reconstructed by the sea
with the long labor of its tides.

PALLBEARERS
