*“Remember to look up at the stars and not down at your feet.
Try to make sense of what you see and wonder about
what makes the universe exist. Be curious. And however
difficult life may seem, there is always something you can do,
and succeed at. It matters that you don't just give up”*

All Things Bright and Beautiful

Refrain:

*All things bright and beautiful,
all creatures great and small,
all things wise and wonderful,
the Lord God made them all.*

Each little flow'r that opens,
each little bird that sings,
He made their glowing colors,
He made their tiny wings. *Refrain*

The purple-headed mountain,
the river running by,
the sunset and the morning
that brightens up the sky. *Refrain*

The cold wind in the winter,
the pleasant summer sun,
the ripe fruits in the garden:
He made them every one. *Refrain*

He gave us eyes to see them,
and lips that we might tell
how great is God Almighty,
who has made all things well. *Refrain*

Guide Me, O My Great Redeemer

Guide me, O my great Redeemer,
pilgrim through this barren land;
I am weak, but you are mighty;
hold me with your powerful hand.
Bread of heaven, bread of heaven,
feed me now and evermore,
feed me now and evermore.

Open now the crystal fountain,
where the healing waters flow.

Let the fire and cloudy pillar
lead me all my journey through.
Strong Deliverer, strong Deliverer,
ever be my strength and shield,
ever be my strength and shield.

When I tread the verge of Jordan,
bid my anxious fears subside.
Death of death, and hell's Destruction,
land me safe on Canaan's side.
Songs of praises, songs of praises
I will ever sing to you,
I will ever sing to you.
