Lyall Bay

By Dave Boyce, 2024

Well, I've told you twice and I've told you once,

This is the place to go to get your lunch.

The Seaview in Lyall Bay makes it easy

For two old men to eat their greaseys,

With caps on heads and bums on seats

Waffling on about the family's past feats.

With welcomed brickwall offering

Sea breeze shelter

The day was turning into a bloody belter.

In costive agreement, the harassed educators

With their acquired teacher voices straining,

Corralling sandy, reluctant charges, baying bloody

Boyces your outside time is over, its done.

It's now inside silent deskbound Maths everyone!
