

Thanks & Invitation

Thank you for your support and care as we have come together to celebrate and honour Carl's Life. Following the service, you are all invited to join us in the adjoining lounge for refreshments as we continue sharing memories. Carl will then take his final journey to Karori Crematorium where a private farewell will be held.

Memorial Book

Please take a moment to record your presence and a short memory for Carl's family in the memorial book.

With Love We Remember
