*Sing Praise To All  
That Has Offered Us Life*

Sing praise to all that has offered us  
life and sustains us

All that has opened our hearts  
to the love borne within us:  
Family and friends,  
Beauty we see without end  
Gifts that our lives lay before us.

Sing praise to all that has opened  
our minds to new vistas  
All that has called us to seek out  
new truths through the ages:  
Vision and word,  
Music that sought to be heard  
These are the gifts that will mould us.

Sing praise to minds that will  
fashion our bold new tomorrows  
Yesterday's wisdom released  
from its dogma and credos.  
Evermore free  
To live out what we believe  
Walking the path that Life hallows.

*Nothing Is Lost  
On The Breath Of God*

Nothing is lost on the breath of God,  
nothing is lost forever;  
God's breath is love, and that love will remain,  
holding the world forever.  
No feather too light, no hair too fine,  
no flower too brief in its glory,  
no drop in the ocean, no dust in the air,  
but is counted and told in God's story.

Nothing is lost to the eyes of God,  
nothing is lost forever;  
God sees with love, and that love will remain,  
holding the world forever.  
No journey too far, no distance too great,  
no valley of darkness too blinding,  
no creature too humble, no child too small  
for God to be seeking and finding.

Nothing is lost to the heart of God,  
nothing is lost forever;  
God's heart is love, and that love will remain,  
holding the world forever.  
No impulse of love, no office of care,  
no moment of life in its fullness,  
no beginning too late, no ending too soon,  
but is gathered and known in its goodness.

*God, Composer  
And Conductor*

God, composer and conductor  
of earth's matchless symphony,  
makes from silence glorious music,  
from discordance, harmony;  
brings forth joy from deepest sorrow,  
ecstasy from agony.

God, the architect and artist  
of earth's colours, textures, forms,  
gives new wonder to our vision,  
light in even darkest storms,  
teaches that with understanding,  
faith redeems and love reforms.

God of science, healer, teacher,  
pushes out the boundaries  
of capacity and knowledge,  
challenges and gently frees  
from the limits that restrain us,  
offers opportunities.

God, creative spirit in us,  
inspiration, force sublime,  
leading us to new endeavour,  
you, our living paradigm,  
may we know your constant presence  
now, and to the end of time.
