Amazing Grace

Amazing grace, how sweet the sound
That saved a wretch like me
I once was lost, but now am found
Was blind, but now I see

'Twas grace that taught my heart to fear
And grace, my fears relieved
How precious did that grace appear
The hour I first believed

When we've been there ten thousand years,
Bright shining as the sun
We've no less days to sing God's praise
Than when we first begun
