

# When I go

DONNA ASHWORTH

When I go  
don't learn to live without me  
just learn to live with my love  
in a different way

And if you need to see me  
close your eyes  
or look in your shadow  
when the sun shines

I'm there.

Sit with me in the quiet  
and you will know  
that I did not leave.

There is no leaving  
when one soul is blended  
with another.

When I go  
don't learn to live without me  
just learn to look for me  
in the moments.

I will be there.
